Training of QA Trainers
Instructor Manual
The Quality Assurance (QA) Project is funded by the U.S. Agency for International Development (USAID), under Contract Number HRN-C-00-96-90013. The QA Project serves countries eligible for USAID assistance, USAID Missions and Bureaus, and other agencies and nongovernmental organizations that cooperate with USAID. The QA Project team consists of prime contractor Center for Human Services; Joint Commission Resources, Inc.; and Johns Hopkins University (including the School of Hygiene and Public Health [JHSPH], the Center for Communication Programs [CCP], and the Johns Hopkins Program for International Education in Reproductive Health [JHPIEGO]). The QA Project provides comprehensive, leading-edge technical expertise in the design, management, and implementation of quality assurance programs in developing countries. Center for Human Services, the nonprofit affiliate of University Research Co., LLC, provides technical assistance and research for the design, management, improvement, and monitoring of health systems and service delivery in over 30 countries.
# TABLE OF CONTENTS

## PART ONE PARTICIPANT MANUAL

### OVERVIEW

- ........................................................................................................... 1

### INTRODUCTION

- Course Design ................................................................. 4
- Evaluation ............................................................................ 5
- Course Syllabus ............................................................... 6
- Course Outline ................................................................. 8

### PRECOURSE QUESTIONNAIRE

- How the Results Will Be Used ............................................. 10
- Questionnaire 11 ............................................................... 11
- Assessment Matrix ............................................................ 14

### CASE STUDIES
